INSTRUCTIONS TO BIDDERS

BIDS will be received by the City of Maize (the "OWNER"), at City Hall, 10100 Grady Avenue, until 10:00 AM on Thursday, May 7th, 2026. Bids will be publicly opened and read aloud at that time.

Each BID must be submitted in a sealed envelope and addressed to the City of Maize. Each sealed envelope containing a total not-to-exceed BID should bear on the outside the name of the BIDDER, their license number if applicable and the name of the PROJECT (2026 PAVEMENT STRIPING OF MAIZE ROAD) for which the BID is submitted. If forwarded by mail, the sealed envelope containing the bid must be enclosed in another envelope addressed to the City of Maize, P.O. Box 245, Maize, Kansas 67101.

All BIDS must be made on the required BID form. All blank spaces for BID prices must be filled in, in ink or typewritten, and the BID form must be fully completed and executed when submitted. Only one copy of the BID form is required.

The CITY may waive any informalities or minor defects or reject any BIDS. Any BID may be withdrawn prior to the above scheduled time for the opening of BIDS or authorized postponement thereof. Any BID received after the time and date specified will not be considered. No BIDDER may withdraw a BID within 60 days after the actual date of the opening of BIDS. Should there be reasons why the contract cannot be awarded within the specified period, the time may be extended by mutual agreement between the CITY and the BIDDER.

BIDDERS must satisfy themselves of the accuracy of the estimated quantities in the BID Schedule by examination of the site and a review of the drawings and specifications including ADDENDA. The BIDDERS must visit the site and become aware of the nature of the site conditions prior to submitting the BID. Upon award of the contract, the CONTRACTOR will not be granted additional compensation regarding time or money for conditions which the CONTRACTOR may have been informed of during an inspection of the site. Any items of work in the plans that are not quantified shall be subsidiary to other associated items of work that are quantified. After the BIDS have been submitted, the BIDDER cannot

assert that there was a misunderstanding concerning the quantities of WORK or of the nature of work to be done.

The NOTICE TO PROCEED will be issued on or before June 1st, 2026. Should there be reasons why the NOTICE TO PROCEED cannot be issued within such a period, the time may be extended by mutual written agreement between the CITY and the CONTRACTOR

The CITY may make such investigations as the OWNER deems necessary to determine the ability of the BIDDER to perform the WORK, and the BIDDER must furnish to the CITY all information and data for this purpose as the CITY may request. The CITY reserves the right to reject any BID if the evidence submitted by, or investigation of, such BIDDER fails to satisfy the CITY that the BIDDER is properly qualified to carry out the obligations of the AGREEMENT and to complete the WORK contemplated therein.

A conditional or qualified BID will not be accepted.

The total not-to-exceed BID PRICE for the PROJECT will be the primary factor in selecting the CONTRACTOR. The CITY reserves the right to make an award based upon the greatest benefit to the CITY and not necessarily on the lowest not-to-exceed BID PRICE for the PROJECT. For example, if the CITY determines it is in the best interest of the CITY, the CITY may select concrete over asphalt even though concrete costs more. The CITY also reserves the right to waive information on minor defects.

The CITY may reject any bid or all the BIDS for any reason or no reason.

All applicable laws, ordinances, and the rules and regulations of all authorities having jurisdiction over construction of the PROJECT will apply to the contract throughout.

Each BIDDER is responsible for inspecting the site and for reading and being thoroughly familiar with the CONTRACT DOCUMENTS. The failure or omission of any BIDDER to do any of the foregoing in no way relieves any BIDDER from any obligation in respect to their BID.

The successful BIDDER, within five days of receiving a request, will supply the names and addresses of major material SUPPLIERS and SUBCONTRACTORS when requested to do so by the CITY.

Questions should be directed to Ross Jensby, Deputy Public Works Director at 316-722-4854, or rjensby@maizeks.gov.
